ABSOLUTELY FREE!

we put the time & effort in to get the best out of your portfolio-

when we leave your wedding, our job has only just begun-
our extensive editing & retouching service is **NOT** standard amongst all photographers!

photography itinerary organised around YOU, not the other way round-

8 hours or more coverage- our time is yours, so you say what suits you

LRPS accredited-

qualified to Licentiate level of the Royal Photographic Society

one simple package - easy to understand options - you pay only for what you want-
from simple pictures only (disc & choice of prints or acrylic), or album upgrade, or any combination you'd like!

more shots for your money - you are not committed to buying one of our albums-
many options within the standard package mean you have the flexibility
to choose your own album, or upgrade to one of our top of the range storybooks - at any time after the wedding!

only one wedding per day... ALL day-

no clock watching or dashing off when the reception starts- there to capture all the fun from beginning to end!

arrival on location with over £4K worth of professional standard equipment-

including Canon's top of the range 'L' series lenses for maximum image clarity!

use as standard 2 pro- digital SLR cameras and lenses-

less time changing lenses means more shots captured of those unmissable moments
plus, two cameras means there's always a backup!

use of only small memory cards (max capacity 50 images)-

less risk of losing of images in the event of card failure- very rare but it can happen!

fully insured-

not very exciting, but important, nonetheless!

proofs on DVD & the web so you can share with everyone your wedding party-

no need to wait and pass all the proofs around!

fleeting moments, eternal images, priceless memories

storybooks

acrylics

**Endless posed shots not your thing?
Then capture a fun & spontaneous record of your unique day!**

Our natural, documentary- style photography captures the spirit, emotions & all those special moments of your day... the **whole** day!

Yes, we don't disappear as soon as the reception starts- our fixed daily rate includes up to 8 hours coverage at times to suit you, (not us)- even up to the first dance!

The flat- rate package includes unlimited shots, extensive editing time & retouching (providing you with a choice of many shots in colour, black & white, sepia & other stylish effects), proofs on DVD and the web (with ordering facility), & the whole portfolio on disc plus your choice of a set of prints or a stunning piece of acrylic wall art.

The photography package gives you more shots for your money, enabling you to compile your own album. But why not stop there? You can upgrade, and add a stunning storybook or coffee-table album, exquisitely hand- crafted to your very own and unique design?

Whatever your budget or requirements, we have something to suit, so just relax and enjoy your day while we do the rest!

ALBUMS

Want to indulge a little bit more in your wedding memories?

For the couple who want the ultimate in quality at a budget to suit, DP Wedding Studios have sourced the most prestigious albums from around the world. Each of our albums is custom made and hand crafted to your very own design and specification- making your album truly one of a kind!

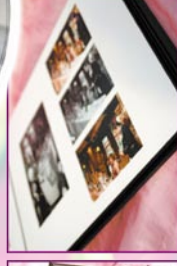

Once you have had a chance to view your proof DVD, we will meet up again & spend a few hours together to design your album just how you always wanted it! You choose the album, the pictures, the layout, and the finish. Your design spec is then emailed to the manufacturers, & within a few weeks, your unique album arrives all the way from the other side of the world!

Our innovative range provides something for every budget and style.

Jorgensen

Made by the most prestigious album manufacturer in Australia, Jorgensen albums offer the benefits of both a traditional photograph album, and contemporary style.

Numbers and sizes of photographs on each page can have an infinite number of variations, allowing you the storybook layout that you want. Each page is then 'matted' and finished with page edging and corner protectors. Covers are elegant and stylish, and range from the traditional (leather, vinyl, chamois) to the modern (brushed pewter, fluted metal or stunning wood).

[CENTRE:] Albums clockwise from bottom:

Large (pewter finish), Medium (leather finish), Small parents album with presentation case
 These luxurious, bespoke albums feature a wide range of page layouts and mat colours for you to choose from.

[LEFT:] You can even opt to have some with twin mats, to create attractive borders and enhance your photographs to stunning effect!
 Large and Extra Large Albums also come complete with protective page corners and edging, for a first-class finish, and edging, for a first-class finish.

All albums supplied with presentation cases; Aluminium Flight- Case style also available.

Many different page styles, mats & effects can be combined in the same album- its all down to you!

As you custom design your very own album, every one with its' many variations will be different. Therefore, prices vary according to your choice of album size, finish, and number of pages (12-60 sides available). As an indication, the range of Jorgensen album prices are shown below. The Large album is our most popular, & average spend is usually in the region of £600-£800.

- Medium (square) 12"x12" from £380- £1350
- Large (panoramic / vertical) 16"x12" from £530- £1725
- Extra Large (Square) 16"x16" from £600- £2000
- Small Parents Album* 9"x9" £180 (12 sides) or £260 (24 sides)
- Album Covers Bookcloth, Leather, Vinyl, Wood or Brushed/ Fluted Metal
Options can include a photo- cut out in the cover
- Choice of Page mat styles; Colours & single or twin (bordered) mats
- Various options include cover photo inlay, flip- out pages, flight= style case
- Anything from 1 to 10 pictures per page, in any layout you choose
- *available as extras when ordering one of the above. Album prices in addition to photography.

GRAPHISTUDIO

The 'inventors' of the Wedding Storybook, GraphiStudio's albums are amongst the most stylish on the market. An alternative to traditional albums, their wedding books are printed in many sizes, on either photographic paper, textured (offset) printed, or eye-catching metallic paper. Cover options are just as numerous, offering photo- covers, acrylic, leather, or polished metal. Duplicate copies in a variety of sizes make wonderful parents and pocket book.
